DETAILED ACTION

Allowable Subject Matter

Claims 1, 2, 4-14, 16, 18-36 are allowed.

The following is an examiner's statement of reasons for allowance: The present invention is a method and apparatus for controlling the reproduction of data that includes copy control information. Each independent claim identifies the uniquely distinct features of "selecting, from a plurality of descrambling methods, a descrambling method corresponding to a type of said reproduced data and authenticating said external device by an authenticating method which is included in a plurality of authenticating methods for authenticating said external device and corresponds to the selected descrambling method".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
